Jotun Protects Property

COLOUR ADDS FUNCTIONALITY

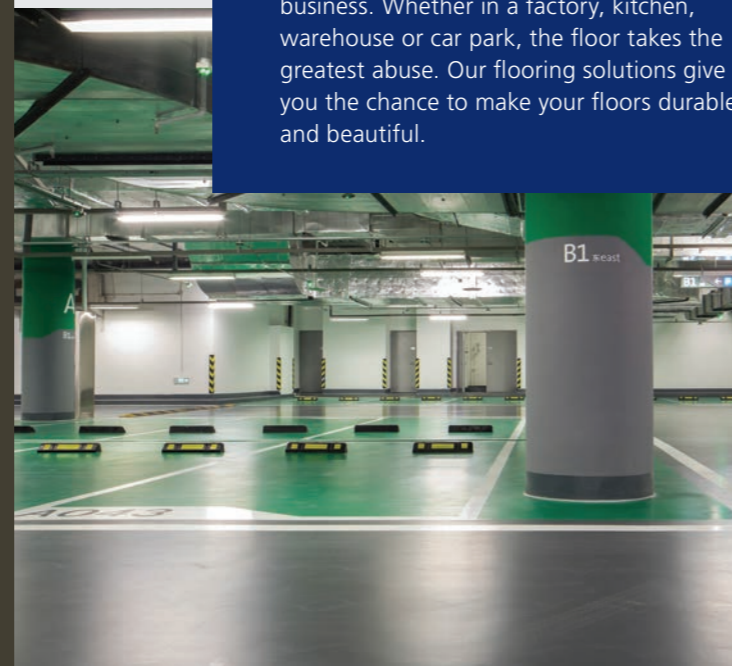

Color can add more than aesthetic value to your project. In spaces such as car parks and airports, choosing different colours for different levels can help visitors navigate with ease.

GREY HAS A WAY OF SUITING ANY STYLE

Shades of grey are consistently our most popular Jotafloor colours. They complement architecture, are flexible to suits diverse design styles, and hide subtle tire marks better than other colours.

UNDER YOUR FEET BUT TOP OF MIND

Flooring is the most used area in any business. Whether in a factory, kitchen, warehouse or car park, the floor takes the greatest abuse. Our flooring solutions give you the chance to make your floors durable and beautiful.

STAY IN TOUCH

At Jotun, we don't just sell a high-quality product; we back it up with the highest quality customer service. We are your partner in achieving your project's goals. With industry-leading technical support and a track record of global market experience, our aim is to not only meet, but exceed your needs.

Please contact your local Jotun representative to learn more about how our products can play an important role in your projects.

FIND YOUR PERFECT SHADE OF GREY

LINE MARKING

ELEVATE YOUR DESIGN WITH BOLD COLOURS

Due to the differences in production methods, pigments and gloss levels, deviations can occur between the samples and delivered products. For critical colour matches, please prepare an on-site sample application before proceeding with the entire job.
